Preferences

In this section, we are looking to find out whether or not you have an idea of where you would like the site to go and what to do for you. We also cover whether you have seen anything or equally important, anything that you do not like.

Colours – Likes / Dislikes? – Does the site need to comply with existing company brand?

Any websites you particularly Like / Dislike? – Please provide website addresses and reasons

What would you like your new website to achieve for you?

Further Questions

Are there any questions you have that you would like us to have the answers to?

Thanks for taking the time to complete this questionnaire.
